

HAUNTED CASINO FAQ

How does the gambling work? Is it real money?

In the Halloween spirit, the gambling is a little pretend and a lot of fun. Each ticket includes \$150 in chips for you to use in our Haunted Casino. The chips have no real money value, but top winners will have the chance to pick from special prizes and casual gamblers can exchange their chips for raffle tickets for the chance to win fun treats.

What if I run out of chips?

Additional chips will be available for purchase with all proceeds going directly to benefit Courtyard School!

What else is included in my ticket? Will there be food?

Your ticket includes complimentary hors d'oeuvres prepared by Courtyard's Chef Matt and a selection of sweet treats. Cocktails, beer, wine, and non-alcoholic beverages will be available for purchase (credit cards and cash accepted).

What's the flow of the night? How late will it go?

Doors will open at 6pm for you to get a drink, enjoy some food, and snap your photos to enter the costume contest (entries accepted until 7:30pm). The Casino will open for gambling at 7pm. We'll wrap up the evening at 10pm by announcing the winners of the costume contest, raffles, and casino games.

What's the deal with the costume contest? Do I have to wear a costume?

The costume contest is optional and just for fun. If you want to enter, there will be three categories: 1) Most Original; 2) Best Pop Culture Reference; and (3) Spookiest. To enter, you'll take a photo to submit at check-in and guests will be able to vote for winners on their phones.

May I bring friends from outside Courtyard?

Yes!!! Please do. This event is open to the community. The only requirement is that guests be over 21. Tell your friends and neighbors!

I want to come, but I don't have a sitter.

We are working to help arrange sitters for our Courtyard parents. Contact your class liaison for more details!

I'll be there! What do I need to bring?

Please bring your I.D. and make sure you know the name your tickets were purchased under so we can check you in.
